Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for City Elgin, Lead Service Line Replacement (LSLR) project in fiscal year 2024. The entity to receive funding for this project is the City of Elgin, located at 150 Dexter Court, Elgin, Illinois 60120. The funding would be used to replace the lead service lines from private and public property, with low-to-moderate income households being targeted in the first phases on the replacement program. The project is an appropriate use of taxpayer funds because it will help maintain Clean Drinking Water Act Standards and promote the health, safety, and continuing economic prosperity of at-risk households in Illinois' Eighth Congressional District. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

Member of Congress
