Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the New Itasca Fire Station in fiscal year 2024. The entity to receive funding for this project is Itasca Fire Protection District located at 520 W Irving Park Rd, Itasca IL, 60143. The funding would be used for a portion of the construction costs related to building a new fire station to better serve the Itasca community. The project is an appropriate use of taxpayer funds because ensuring communities have immediate access to emergency responders is an inherent duty of government. In addition, building a new fire station will allow Itasca's first responders to meet the national standards for emergency response times. The project has a federal nexus because the funding provided is for purposes authorized 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi
Member of Congress
