Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Village of Pingree Grove's Wastewater Treatment Plant upgrades project in fiscal year 2024. The entity to receive funding for this project is Village of Pingree Gove, located at 555 Reinking Road Pingree Grove, IL 60140. The funding would be used for upgrades to the existing wastewater treatment facility to meet the growing needs of the community, improve water quality, and maintain cost effectiveness. The project is an appropriate use of taxpayer funds because it will improve water quality for residents and environmental sustainability, particularly in the Fox River Valley Watershed with downstream impacts on residents from Elgin to Cairo, Illinois. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi
Member of Congress
