Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Poplar Creek Library Building Improvements in Streamwood, Illinois' 8th Congressional District in fiscal year 2024. The entity to receive funding for this project is Poplar Creek Library located at 1405 S Park Ave, Streamwood, IL, 60107. The funding would be used for building improvements to make the library a more efficient and effective center for community, business, family, and educational activities. Some examples of project activities include new carpeting, replacing and outdated and inefficient electrical system and sewer and storm pumps, sealing exterior concrete, a new roof, elevator repairs, and replacing rubber tiles in the children's area. The project is an appropriate use of taxpayer funds because, as a public work, the library is a center for community development in Streamwood and the surrounding area. The library provides free services to all members of the community with a focus on providing resources for community, economic, and familial growth. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi
Member of Congress
