Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Habitat for Humanity of Northern Fox Valley, Net-Zero Affordable Homeownership Development in fiscal year 2024. The entity to receive funding for this project is Habitat for Humanity of Northern Fox Valley, located at 56 S. Grove Avenue, Elgin, Illinois, 60120. The funding would be used for 13 single family home, net-zero development in Carpentersville. The net-zero homes will feature solar panels, battery storage systems, energy efficient windows, heat recovery ventilation and LED lighting. The homes provide low-income families homes. The project is an appropriate use of taxpayer funds because it constructs homes for the economic benefit of the community and provides otherwise unattainable housing for low-income individuals. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C., 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

Member of Congress
