Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Village of Hanover Park Sanitary Sewer Lift Station Rehabilitation, project in fiscal year 2024. The entity to receive funding for this project is the, Village of Hanover located at 2121 West Lake Street, Hanover Park, IL 60133. The funding would be used for the rehabilitation of six (6) sanitary sewer lift stations in the Village of Hanover Park. All six lift stations are original to the development of their respective neighborhoods and while they have received appropriate maintenance, all are at the end of life. The project is an appropriate use of taxpayer funds because it will help maintain Clean Water Act Standards and pre-emptively replace the force main of the station with PVC to protect water resources and decrease the risk of water contamination due to old pipes. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi
Member of Congress
