Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Central Road Shared Services Facility at 3200 Central Road Rolling Meadows, IL 60008 in fiscal year 2027. The entity to receive funding for this project is the City of Rolling Meadows. The funding would be used to replace a failing, 1962-era infrastructure with a high-efficiency, multi-jurisdictional hub serving the City of Rolling Meadows, the Rolling Meadows Park District (RMPD), and the Northwest Special Recreation Association (NWSRA). The project is an appropriate use of taxpayer funds because the new facility will safeguard public assets and provide much-needed indoor recreational space to alleviate current constraints felt by local students and residents. A key component of the project includes providing covered storage for NWSRA's fleet of accessible vehicles, which are currently exposed to the elements, thereby ensuring more reliable transportation for individuals with disabilities. This collaborative investment reduces infrastructure duplication and lowers long-term costs.

The project has a federal nexus because of 5305(a)(2) - the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities, and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi
Member of Congress
