Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the expansion of the Lead Water Service Line Removal, Prioritizing at Risk residents at zip code 60120 in fiscal year 2027. The entity to receive funding for this project is the City of Elgin. The funding would be used to target lead service line replacement for low-to moderate income households in the city. The project is an appropriate use of taxpayer funds because it will reduce long-term public health costs and improve community safety caused by health risks related to corroded lead service lines.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

*Member of Congress*
