Dear Chairman Cole and Ranking Member DeLauro:

I request funding for the Glenbard Firefighter Training Facility at 625 Glen Oak Road Lombard, IL 60148 in fiscal year 2027. The entity to receive funding for this project is the Village of Glen Ellyn. The funding would be used to develop a firefighter training facility to be jointly used by the fire departments of the Village of Glen Ellyn and the Village of Lombard. The facility will include a three-level burn tower that meets the requirements of NFPA 1403 and the Insurance Services Office. The project is an appropriate use of taxpayer funds because it will enable both new and experienced firefighters to train in an environment that simulates real structure fire conditions to improve public safety.

The project has a federal nexus because the funding provided because of 5305(a)(2) - the acquisition, construction, reconstruction, or installation (including design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

Member of Congress
