The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Kirk Rd and Dunham Rd Pedestrian and Safety Improvements at 1020 Dunham Rd St. Charles, IL 60174 in fiscal year 2027. The entity to receive funding for this project is the City of St. Charles. The funding would be used for Phase I and II engineering for projects that will improve connectivity and safety for both bicyclists and pedestrians along Dunham Road, Kirk Road and Foxfield Road corridors. The project is an appropriate use of taxpayer funds because this project represents a targeted, cost-effective infrastructure improvement that enhances school safety, improves regional mobility, reduces neighborhood traffic impacts, and strengthens coordination between local and county transportation agencies.

The project has a Federal Nexus because the funding provided is for purposes authorized by 23 USC 133; (2) Operational improvements and capital and operating costs for traffic monitoring, management, and control facilities and programs.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

*Member of Congress*
