Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Metra Milwaukee District West Line & North Central Service Line Crew Facilities at Metra's Milwaukee District West Line between Elgin and downtown Chicago, and the North Central Service Line between Antioch, O'Hare, and downtown Chicago, IL 60123 in fiscal year 2027. The entity to receive funding for this project is Metra Commuter Rail. The funding would be used to upgrade crew layover sites to support laborers who operate Metra's Milwaukee District West Line between Elgin and downtown Chicago, and the North Central Service Line between Antioch, O'Hare, and downtown Chicago. The project is an appropriate use of taxpayer funds because this project will benefit and support the hundreds of Metra employees that move more than 220,000 people and improve transit accessibility for the city and surrounding areas.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

Member of Congress
