Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Mount Prospect Community Connections Center & Library (CCC) at 50 South Emerson Street Mount Prospect, IL 60056 in fiscal year 2027. The entity to receive funding for this project is the Village of Mount Prospect. The funding would be used to expand Mount Prospect's CCC to develop youth programs, senior programs, job training, basic needs services, and health/mental health care. The project is an appropriate use of taxpayer funds because it will expand upon the already successful CCC and further address barriers preventing residents from accessing resources in the village, while also representing a strategic partnership between the Village's Human Services Department and the Mount Prospect Public Library.

The project has a federal nexus because of 5305(a)(2) - the acquisition, construction, reconstruction, or installation of public works, facilities, and site or other improvements.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

Member of Congress
