Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the expansion of the Highlands Subdivision Phase II Utility Improvement Project at Devon Avenue and Lincoln Street Roselle, IL 60172 in fiscal year 2027. The entity to receive funding for this project is the Village of Roselle. The funding would be used to replace deteriorating water mains and sanitary sewers and upgrade stormwater drainage to improve system reliability and resilience. The project is an appropriate use of taxpayer funds because it protects public health, strengthens fire protection capacity, reduces flooding and sewer backup risks, and enhances long-term operational efficiency.

The project has a federal nexus because the funding provided is for purposes authorized by the Clean Water Act, 33 U.S.C. 1383(c) (Section 603(c) of the Clean Water Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi
