Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the South Barrington Shared-Use Path at Bartlett Road from Penny Road to Route 72 and Penny Road from Bartlett Road to Route 62 South Barrington, IL 60010 in fiscal year 2027. The entity to receive funding for this project is the Village of South Barrington. The funding would be used to construct an off-street shared-use path along Bartlett Road from Penny Road to Route 72 and along Penny Road from Bartlett Road to Route 62 to improve pedestrian and bicycle safety and expand multimodal transportation connectivity within the community. The project is an appropriate use of taxpayer funds because this project will significantly improve pedestrian and bicycle safety, expand regional trail connectivity, and fill a critical gap in the Village's transportation network while supporting the broader regional goal of building a connected system of trails and greenways throughout northeastern Illinois.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Raja Krishnamoorthi

Member of Congress
