September 25, 2020

Donald J. Trump
President of the United States
The White House
1600 Pennsylvania Avenue, NW
Washington, DC 20500

Dear President Trump:

In light of public concerns around the safety and efficacy of a COVID-19 vaccine being rushed to market before Election Day, and to address questions I have received from my constituents, will you commit to:

Vaccinating yourself and each member of your family before November 3rd with any coronavirus vaccine approved by the FDA before November 3rd?

I look forward to your prompt response.

Sincerely,

Raja Krishnamoorthi
Member of Congress
